

**Community Shared Solar for Montour and Montour Falls:  
Information Sessions May 2nd at 4 pm & 7 pm**

Want to save money on your monthly electricity bill? Residents of the Town of Montour and Village of Montour Falls now have the opportunity to save on their electricity costs through solar power without putting panels on their roof! You can subscribe to a share of the community solar farm being built in nearby Tompkins County. It costs nothing to enroll and there is no long-term commitment.

**You are invited to attend a Community Shared Solar Information Session at the Town Offices on Wednesday, May 2nd.** Nexamp, the solar company, will hold two sessions, one at 4 pm and the other at 7 pm. Please RSVP at [solarize@nexamp.com](mailto:solarize@nexamp.com) or call 800.945.5124.

Please bring a copy of a recent NYSEG electric bill to the meeting. Light refreshments will be served.

Interested in learning how much you'd save on electricity costs? Go to [www.SolarizeMyBill.com](http://www.SolarizeMyBill.com) to learn more, or call 800.945.5124 to speak with a member of the Nexamp Community Solar team.
